What should you do first from the Microsoft Teams & Skype for Business Admin Center?

- A. Configure the Meeting settings.
- B. Modify the Global messaging policy.
- C. Create a new messaging policy.
- D. Create a new meeting policy.

**Answer: C**

Explanation:  
Explanation

Messaging policies are used to control which chat and channel messaging features are available to users in Microsoft Teams. You can use the default policy that is created automatically or create one or more custom messaging policies for people in your organization. After you create a policy, you can assign it to a user or group of users in your organization.
